

CSE221: Algorithms

Lab 08

Spring 2025

Assignment 08:

codeforces Invitation Link:

<https://codeforces.com/contestInvitation/9403a44572ab6db2c8eff6f2d3dad47283a1a657>

Alternative Link: <https://codeforces.com/contests/607805>

[The alternative link will only work after you have successfully registered using the first link.]

Deadline: 11:59pm, Thursday, May 15, 2025

Notice the unusual deadline.

No submission will be considered after the deadline ends.

Learning Outcome:

After completing the lab and the assignment, the students should be able to learn how to implement Disjoint Set Union (DSU) and Minimum Spanning Tree (MST).
